Vaughn Bode's art was made popular by writers like Dondi, Seen, Tracy and Mare 139.

Since then for three decades the graff culture has had an on-going love affair with Cheech Wizard, the lizards, the infamous Bode broads and all the other inhabitants of the fantastic cartoon world created by Vaughn Bode. We truly can say the work of Vaughn Bode, who passed away in 1975 at age 33, is as much a fixture in the graffiti community as fat caps and black books.

Though he's gone, never to be forgotten, he is survived by a son. Through Mark Bode's own powerful artwork and an equally powerful sense of commitment, the wonderful world his father set forth continues to thrive.

Montana Colors is really proud to present two new Limited Editions designed by Vaughn and Mark Bode. For the first time their art will dress up a spray can, thanks to Bodé family to give Montana Colors this honor!

As usual, just 500 cans will be available, don't miss these historical pieces!!
